

BACKGROUND

The Porterville Christusfees is a community festival with a difference. The Festival proves that it is a joy to be a Christian and fun to do things together. We will listen to excellent music for a whole weekend, visit between food- and other stalls, chat and enjoy life in a sober and responsible way.

DATE AND VENUE

The first festival took place in 2005. The next festival will take place from Friday 9 March to Sunday 11 March 2012 on the premises of Hoërskool Porterville. See (Maps) for routes, town map and festival layout.
